As mentioned above, all City of Seattle offices ("the City") are required to promptly make public records available upon request. However, under Washington State Law some records or portions of records may be considered legally exempt from disclosure. A list and description of records identified as exempt by the Public Records Act can be found in RCW 42.56 and RCW 19.108.

If the City receives a public disclosure request for any records or parts of records that Contractor has properly and specifically listed on the City Non-Disclosure Request Form (Form) submitted with Contractor's bid/proposal, or records that have been specifically identified in this contract, the City will notify Contractor in writing of the request and will postpone disclosure. While it is not a legal obligation, the City, as a courtesy, will allow Contractor up to ten business days to obtain and serve the City with a court injunction to prevent the City from releasing the records (reference RCW 42.56.540). If you fail to obtain a Court order and serve the City within the ten days, the City may release the documents.

The City will not assert an exemption from disclosure on Contractor's behalf. If Contractor believes that its records are exempt from disclosure, Contractor is obligated to seek an injunction under RCW 42.56.540. Contractor acknowledges that the City will have no obligation or liability to Contractor if the records are disclosed.

24. DISPUTES.

Any dispute or misunderstanding that may arise under this Agreement, concerning the Consultant's performance, shall first be through negotiations, if possible, between the Consultant's Project Manager and the City's Project Manager. It shall be referred to the Director and the Consultant's senior executive(s). If such officials do not agree upon a decision within a reasonable period of time, either party may decline or discontinue such discussions and may then pursue the legal means to resolve such disputes, including but not limited to alternative dispute resolution processes. Nothing in this dispute process shall mitigate the rights of the City to terminate the contract. Notwithstanding all of the above, if the City believes in good faith that some portion of the Work has not been completed satisfactorily, the City may require the Consultant to correct such work prior to the City payment. The City will provide to the Consultant an explanation of the concern and the remedy that the City expects. The City may withhold from any payment otherwise due, an amount that the City in good faith finds to be under dispute, or if the Consultant provides no sufficient remedy, the City may retain the amount equal to the cost to the City for otherwise correcting or remedying the work not properly completed.

25. TERMINATION.

- A. For Cause: The City may terminate this Agreement if the Consultant is in material breach of this Agreement, and such breach has not been corrected to the City's reasonable satisfaction in a timely manner.
- B. For Reasons Beyond Control of the Parties: Either party may terminate this Agreement without recourse by the other where performance is rendered impossible or impracticable for reasons beyond such party's reasonable control, such as, but not limited to, an act of nature, war or warlike operation, civil commotion, riot, labor dispute including strike, walkout or lockout, except labor disputes involving the Consultant's own employees, sabotage, or superior governmental regulation or control.
- C. For City's Convenience: The City may terminate this Agreement without cause and including the City's convenience, upon written notice to the Consultant.
- D. Notice: Notice of termination under this Section shall be given by the party terminating this Agreement to the other, not fewer than five (5) business days prior to the effective date of termination.
- E. Actions upon Termination: if termination occurs and is not the fault of the Consultant, the Consultant shall be paid for the services properly performed prior to termination, with any reimbursable expenses then due, but such compensation shall not exceed the maximum compensation to be paid under the Agreement. The Consultant agrees this payment shall fully and adequately compensate the Consultant and all subconsultants for all profits, costs, expenses, losses, liabilities, damages, taxes and charges of any kind (whether foreseen or unforeseen) attributable to the termination of this Agreement.
- F. Upon termination, the Consultant shall provide the City with the most current design documents, contract documents, writings and other products the Consultant has produced to termination, along with copies of all project-related correspondence and similar items. The City shall have the same rights to use these materials as if termination had not occurred.

26. CONSULTANT PERFORMANCE EVALUATION.

The Consultant's performance will be evaluated by the City at the conclusion of the contract. The Evaluation template can be viewed <http://www.seattle.gov/contracting/docs/ccPE.doc>.

27. DEBARMENT.

Federal Debarment: The Consultant shall immediately notify the City of any suspension or debarment or other action that excludes the Consultant or any subconsultant from participation in Federal contracts. Consultant shall verify all subconsultants intended and/or used by the Consultant for performance of City Work are in good standing and are not debarred, suspended or otherwise ineligible by the Federal Government. Debarment shall be verified at <https://www.sam.gov>. Consultant shall keep proof of such verification of subconsultant debarment status within the Consultant records.

City of Seattle Debarment: Under SMC Chapter 20.70, the Director of Purchasing and Contracting (PC), as hereby delegated by the Director of Finance and Administrative Services, may debar and prevent a Consultant from contracting or subcontracting with the City for up to five years after determining the Consultant:

- A. Received overall performance evaluations of deficient, inadequate, or substandard performance on three or more City contracts;

- B. Failed to comply with City ordinances or contract terms, including but not limited to, ordinance or contract terms related to woman and minority business utilization, discrimination, equal benefits, or other state, local or federal non-discrimination laws;
- C. Abandoned, surrendered, or failed to complete or to perform work on or for a City contract;
- D. Failed to comply with contract provisions, including but not limited to quality of workmanship, timeliness of performance, and safety standards;
- E. Submitted false or intentionally misleading documents, reports, invoices, or other statements to the City in connection with a contract;
- F. Colluded with another firm to restrain competition;
- G. Committed fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a contract for the City or any other government entity;
- H. Failed to cooperate in a City debarment investigation.

The PC Director or designee may issue an Order of Debarment under the SMC 20.70.050. Rights and remedies of the City under these provisions are besides other rights and remedies provided by law or under the Agreement.

28. MISCELLANEOUS PROVISIONS.

- A. Amendments: No modification of this Agreement shall be effective unless in writing and signed by an authorized representative of each of the parties hereto.
- B. Background Checks and Immigrant Status: The City may require background checks for some or all of the employees that may perform work under this Agreement. The City reserves the right to require such background checks at any time. The City has strict policies regarding the use of background checks, criminal checks, immigrant status, and/or religious affiliation for contract workers. The policies are incorporated into the contract and available for viewing on-line at <http://www.seattle.gov/purchasing-and-contracting/social-equity/background-checks>.
- C. Notification Requirements for Federal Immigration Enforcement Activities: Prior to responding to any requests from an employee or agent of any federal immigration agency including the Immigration and Customs Enforcement (ICE), the U.S. Department of Homeland Security (DHS), Homeland Security Investigations (HSI), Enforcement Removal Operations (ERO), Customs and Border Protection (CBP), and U.S. Citizenship and Immigration Services (USCIS) regarding your City contract, Consultants shall notify the Project Manager immediately.

Such requests include, but are not limited to:

- a. requests for access to non-public areas in City buildings and venues (i.e., areas not open to the public such as staff work areas that require card key access and other areas designated as “private” or “employee only”); or
- b. requests for data or information (written or oral) about workers engaged in the work of this contract or City employees.

No access or information shall be provided without prior review and consent of the City. The Consultant shall request the ICE authority to wait until the Project Manager is able to verify the credentials and authority of the ICE agent and will direct the Consultant on how to proceed.

- D. Binding Agreement: This Agreement shall not be binding until signed by both parties. The provisions, covenants and conditions in this Agreement shall bind the parties, their legal heirs, representatives, successors and assigns.
- E. Americans with Disabilities Act (ADA): RESERVED.
- F. Federal, State, and Local Compliance: The Consultant, at no expense to the City, shall comply with all laws of the United States and Washington, the Charter and ordinances of the City of Seattle; and rules, regulations, orders and directives of their administrative agencies and officers, including, but not limited to, Seattle Municipal Code Chapter 14.04 (Fair Employment Practices), Chapter 14.06 (Unfair Public Accommodations

Practices), Chapter 14.10 (Fair Contracting Practices), and Chapter 20.45 (City Contracts – Non-Discrimination in Benefits). Without limiting the generality of this paragraph, the Consultant shall comply with the requirements of this Section.

- G. Violations of Law: Any violation of the requirements in Section 28.F shall be a material breach of contract for which the Consultant may be subject to damages, sanctions, or other remedies as provided for under this Agreement or under applicable law. In the event Consultant is in violation of Section 28.F, Consultant may also be subject to debarment from City contracting activities in accordance with Section 27.

- I. Remedies Cumulative: Rights under this Agreement are cumulative and nonexclusive of any other remedy of law or in equity.
- J. Captions: The titles of sections or subsections are for convenience only and do not define or limit the contents.
- K. Severability: If any term or provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall not be affected, and each term and provision shall be valid and enforceable to the fullest extent permitted by law.
- L. Waiver: No covenant, term or condition or the breach shall be deemed waived, except by written consent of the party against whom the waiver is claimed, and any waiver of the breach of any covenant, term or condition shall not be deemed a waiver of any preceding or succeeding breach of the same or any other covenant, term of condition. Neither the acceptance by the City of any performance by the Consultant after the time the same shall have become due nor payment to the Consultant for any portion of the Work shall constitute a waiver by the City of the breach or default of any covenant, term or condition unless otherwise expressly agreed to by the City in writing.
- M. Entire Agreement: This document along with any exhibits and all attachments, and subsequently issued addenda, comprises the entire agreement between the City and the Consultant. The solicitation (Request for Proposal or Solicitation for Qualifications), Addenda, Consultants Proposal, and Consultants WMBE Inclusion Plan, are each explicitly included as Attachments material to the Agreement. Where there are conflicts between these documents, the controlling document will first be this Agreement as amended, the WMBE Inclusion Plan as adopted, the Consultant’s Proposal, then the City Solicitation documents. If conflict occurs between contract documents and applicable laws, codes, ordinances or regulations, the most stringent or legally binding requirement shall govern and be considered a part of this contract to afford the City the maximum benefits.
- N. Negotiated Agreement: The parties acknowledge this is a negotiated agreement, that they have had this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party’s draftsmanship.
- O. No personal liability: No officer, agent or authorized employee of the City shall be personally responsible for any liability arising under this Contract, whether expressed or implied, nor for any statement or representation made or in any connection with this Agreement.

29. NON-DISCLOSURE OF PROTECTED CRITICAL INFRASTRUCTURE INFORMATION.

The parties agree to comply with the Final rule promulgating regulations at Title 6 Code of Federal Regulations Section 29 to govern procedures for handling critical infrastructure information. The regulations detailed in the Final rule, which was effective upon publication pursuant to Section 808 of the Congressional Review Act, were promulgated pursuant to Title II, Section 215 of the Homeland Security Act of 2002, known as the “Critical Infrastructure Information Act of 2002” (CII Act).

IN WITNESS WHEREOF, in consideration of the terms, conditions and covenants contained, or attached and incorporated and made a part, the parties have executed this Agreement by having legally-binding representatives affix their signatures below.

CONTRACT # [REDACTED]

CONTRACT TITLE: CRIMINAL INTELLIGENCE ANALYST

This AGREEMENT is made and entered into by and between the City of Seattle ("City") and NAME, BUSINESS NAME, ("Consultant") and is effective upon contract execution.

Whereas, the Consultant requires access to many forms of confidential materials, including names, addresses, telephone numbers, email addresses, files, records, court documents and other forms of proprietary, private or personal-identifying information, herein referred to as "Information", to propose, develop, implement, maintain or perform the Scope of Work. The Consultant must comply with all city, state and federal regulations in accessing and using this Information.

THEREFORE IT IS AGREED AS FOLLOWS:

The City will allow the Consultant access all Information required to perform Consultant's Scope of Work.

The Consultant agrees to limit the use of this Information to the purposes ("Purposes") of fulfilling the requirements of the Scope of Work.

The Consultant agrees that access to Information will be limited to approved employees and subcontracted employees ("Authorized Personnel"). The Consultant agrees that it will provide the City of Seattle with a list of employees who will have access to Information. Consultant agrees that all Authorized Personnel shall be informed of the provisions of this Agreement and shall first agree to comply with the revisions of this Agreement before Consultant permits any Authorized Personnel to have access to Information.

The Consultant shall obtain written authorization from the City prior to permitting any Consultant or subconsultant employees to have access to Information. The City and Consultant will screen all Consultant or subconsultant employees whom the Consultant requests to have access to Information. Screening may include a criminal record background investigation. At the City's sole discretion, the City may deny authorization to an individual because of criminal record or other pertinent reason. Authorization can be revoked immediately for anyone reasonably believed to be violating access/disclosure regulations.

The Consultant agrees to further limit access to Information to Authorized Personnel. No copies of Information shall be made except as clearly necessary to accomplish Purposes of this Agreement. The Consultant agrees to destroy copies of such Information when copies of such Information are no longer needed for Purposes of this Agreement.

The Consultant will not disclose any Information in any form which can identify an individual in any report or documentation, except for the Purposes of this Agreement when working with City personnel, or Authorized Personnel on the list.

The Consultant agrees to take all necessary reasonable precautions to protect Information from unauthorized access, alteration, or destruction. Information and programs to access it must be stored in secure systems or locked containers. Consultant shall employ all current safeguards to prevent unauthorized access to disk and tape files. Consultant Personnel shall not bypass or override security provisions in the course of their work.

In the event that the Consultant deems it necessary, for the purposes of this agreement, to disclose Information to any subconsultant, the Consultant shall notify the City and secure the written agreement of the subconsultant to comply with all terms of this Non-Disclosure Agreement as if it were the Consultant named herein. The City shall have the right, at any time, to monitor, audit, and review the activities, policies, records, and documents of the Consultant and its subconsultants in implementing this Agreement in order to assure compliance therewith.

The Consultant shall notify the City Project Manager within 24 hours of a suspected or actual security breach that compromises the security, confidentiality or integrity of Information. Immediately following the Consultant's notification to the City Project Manager, the Consultant shall take steps to immediately remedy the security breach and prevent any further security issues. The Consultant agrees that it shall not inform any third party of any security breach without the City's prior written consent. Further, the Consultant agrees that the City has the sole right to determine whether notice of a security breach is to be provided to a third party, and what the contents of such notice would be.

Since this Agreement provides access to Information on an ongoing basis, the City reserves the right to immediately suspend furnishing Information under this Agreement when it is determined by the City that any rule, policy, procedure, or regulation described or referenced herein is violated or appears to be violated. The Consultant shall not be liable for any deficiencies in the performance of its duties caused by the suspension provided it is later determined by investigation of the City that the Consultant did not violate this agreement. Notice of any such suspension shall be provided to Consultant in writing by the City.

It is hereby understood and acknowledged by the parties that any breach of their obligations detailed in this Agreement may cause the other injury and that monetary relief will not be in every case an adequate remedy for any such breach. Accordingly, in the event of any such breach the injured party may seek injunctive relief from such breach or threatened breach of this Agreement.
